I picked up a hitchhiker last night. He seemed surprised that I'd pick up a stranger and asked, "Thanks but why would you pick me up? How do you know I'm not a serial killer?"

I told him the chances of two serial killers being in one car would be astronomical.

Morris, an 82 year-old man, went to the doctor to get a physical.

A few days later, the doctor saw Morris walking down the street with a gorgeous young woman on his arm.

A couple of days later, the doctor spoke to Morris and said, 'You're really doing great, aren't you?'

Morris replied, 'Just doing what you said, Doc: 'Get a hot mamma and be cheerful.'"

The doctor said, 'I didn't say that. I said, 'You've got a heart murmur; be careful.'

Two antennas met on a roof, fell in love and got married. The ceremony wasn't much, but the reception was excellent.

A jumper cable walks into a bar. The bartender says, "I'll serve you, but don't start anything."

A couple drove down a country road for several miles, not saying a word.

An earlier discussion had led to an argument and neither of them wanted to concede their position.

As they passed a barnyard of mules, goats, and pigs, the husband asked sarcastically, 'Relatives of yours?' 'Yep,' the wife replied, 'in-laws'

Quotes of the week by William Wilberforce:

You may choose to look the other way but you can never say again that you did not know.

It is the true duty of every man to promote the happiness of his fellow creatures to the utmost of his power.

To live our lives and miss that great purpose we were designed to accomplish is truly a sin.

If you love someone who is ruining his or her life because of faulty thinking, and you don't do anything about it because you are afraid of what others might think, you are in fact being heartless.

No matter how loud you shout, you won't drown the voice of the people.

God Almighty has set before me two great objects: the suppression of the slave trade and the reformation of manners...

The Four-Way Test

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
