# Craig Munro of Munro's Quality Meats Wilberforce named first master butcher in NSW

CRAIG Munro of Munro's Quality Meats in Wilberforce has been named the first Master Butcher in NSW by the Australian Meat Industry Council (AMIC).

"It was a really good night!" Craig said of AMIC's NSW Sausage King and Smallgoods award night at the Novotel in Olympic Park.

The AMIC Master Butcher of Australia is a lifetime achievement and as such is presented only once to the successful recipient.

Craig said the criteria was "not just about your knowledge or your skills, but training your apprentices and staff, being innovative in the industry and active in the community".

“We’d really love to start pushing the meat industry as an attractive vocation and start bringing a lot more young people through our doors - bringing in as many apprentices as we can and teaching the trade to as many people as we can. That’s what we’re all about, trying to train the next generation of butchers coming through.”

**MASTER OF HIS CRAFT:** Craig Munro at the Australian Meat Industry Council awards night at Olympic Park.

“We’ve always strived to be our best for our customers and our community, so we will maintain that and hopefully bring a lot more staff through to expand the store,” he said. “At the moment we’ve got quite a good crew of older guys ranging from 40 to 70, and all the apprentices we have had here recently we’ve trained to the point where they’ve opened their own shops and we’re quite proud to see our apprentices doing well for themselves, so now we’re looking for that next generation.”

Munro’s Quality Meats was also honoured recently as the meat supplier for Crodsdales BBQ which won best new business at the Hawkesbury Business Awards for 2018.

### Quotes of the week by David Bowie:

*I don't know where I'm going from here, but I promise it won't be boring.  
I'm not a prophet or a stone aged man, just a mortal with potential of a  
superman. I'm living on.*

*I'm always amazed that people take what I say seriously. I don't even take  
what I am seriously.*

*On the other hand, what I like my music to do to me is awaken the ghosts  
inside of me. Not the demons, you understand, but the ghosts.*

*I had to resign myself, many years ago, that I'm not too articulate when it  
comes to explaining how I feel about things. But my music does it for me, it  
really does.*

### The Four-Way Test

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
