The Rotary Club of Windsor is seeking nominations for its 2023 'Pride of Workmanship' awards, designed to encourage and reward those who take pride in their employment or business by "going the extra mile".

The object of our Pride of Workmanship Awards programme is to –

- Encourage pride in business
- Provide employers members of the public with an opportunity to recognize employees who display required qualities
- To encourage employer/employee relationships and a sense of community pride in individual achievement
- To recognize those who strive for excellence in their employment

In this regard, the qualities we are looking for in employees are –

- Provide exceptional service, **all the time**
- Make sure the customer is 150% satisfied, **every time**
- Believe and accept that the customer is always right
- Make sure, following a customer complaint, that the customer remains satisfied
- Is enthusiastic about their job, their employer and ensure their enthusiasm flows on to customers and others
- Do it well the first time, always, and never let sloppy work flow through to a customer
- Have pride in what they do and show it by their actions
